

# NEW THING

Heart Of God Church, Mitch Wong, Daniel Goh

Written by Mitch Wong, Daniel Goh, Aaron Cheong

## VERSE 1

The old is gone and the new has come  
We lift our eyes to the rising sun  
We can see it  
We can see it

A narrow way in the wilderness  
And streams of life out of barrenness  
We can see it  
We can see it

## CHORUS

You're doing a new thing  
A new work  
A new way and it's glorious  
Let Your kingdom come  
Let Your will be done

You're starting a new page  
A new day  
A new praise is alive in us  
Let Your kingdom come  
Let Your will be done  
Amen

## VERSE 2

The old is gone and the new is here  
You're stirring faith in the atmosphere  
We can feel it  
We can feel it

You said we could ask You for anything  
So God we pray for greater things  
We believe it  
We believe it

## BRIDGE 1

When the people of God  
Sing the praises of God  
In the presence of God  
Blind eyes see, the lame rise up

When the people of God  
Sing the praises of God  
In the presence of God  
Prisons break and captives walk

## BRIDGE 2

When the people of God  
Sing the praises of God  
In the presence of God  
Heaven comes and hell is robbed

For the glory of God  
For the glory of God  
For the glory of God  
We sing hallelujah!

## REFRAIN

We sing hallelujah  
We sing hallelujah  
We sing hallelujah  
We sing hallelujah
