

TILL THE GENERATIONS KNOW YOU

Heart of God Church, Sabrina Chai

Verse 1

Hands full but hearts so empty
Running through the streets of plenty
They're not satisfied
They're not satisfied

Restless souls in concrete jungles
Empty hearts waiting for a Saviour
They're not satisfied
They're not satisfied
Who will go to them

Chorus 1

Send us Lord
To the ends of the earth
Till the generations know Your name
Live for You

We'll shine the light
Of Your name far and wide
To all generations show Your heart
Speak Your truth

Verse 2

On that Cross, death defeated
Our hearts receive, Your living water
You will satisfy
You will satisfy
We will go for You

Bridge

There's more to be done
More souls to be won
Deep in our hearts
There's a fire burning

We won't rest till it's done
Till the world knows the Son
Deep in our hearts
Keep the fire burning

Refrain

Send us Lord, we will go for You
Send us Lord, we will go for You

Chorus 2

We will go
To the ends of the earth
Till the generations know Your name
Live for You

We'll shine the light
Of Your name far and wide
To all generations show Your heart
Speak Your truth

GENERATIONS
